

AQUAPRO25 - APD075

Compressed Air Hose, 25 Bar

Code	ID (mm)	OD (mm)	Wall (mm)	Working Pressure (bar)	Burst Pressure (bar)	Bending Radius (mm)	Weight (kg/m)	Max. Length (m)
APD075-19x5.5	19	29	5	25	75	154	0,58	40
APD075-25x6	25	36	5.5	25	75	193	0,76	40
APD075-32x6.5	32	44	6	25	75	248	1,19	40
APD075-38x7	38	50	6	25	75	268	1,38	40
APD075-51x7	51	64	6,5	25	75	296	1,87	40
APD075-63x7.5	63	77	7	25	75	437	2,74	40
APD075-76x8	76	92	8	25	75	579	3,55	40
APD075-102x8	102	118	8	25	75	782	4,69	40

Application

Medium duty air hose for heavy duty applications in heavy industry, construction and mining

Temperature

-30°C to +85°C

Features

Durable yet flexible, long lasting, black cover

Type

Mandrel built

Tube

Blend of natural and synthetic rubber compounds, black, smooth, oil mist resistant

Reinforcement

High tensile textile cord

Cover

Blend of synthetic rubber compounds, black, smooth with cloth impression, weather, ozone and abrasion resistant

Standard/Notice

EN ISO 2398, BS 2050

Marking

Embossed or Transfer Label

Standards/Approvals
